

# SCHMIDT FAMILY

Jan/February 2025

## GREETINGS!

What a start to the year! I wanted to get this letter to you before March started, but camp began as February closed out, and with all the running around, updating the property, and tying up loose ends, that didn't happen!

## Summer Camp

Undoubtedly, our summer camp is one of the most significant events we will hold yearly. Missionary Tom Brewer was the main preacher this year. We rejoice that 12 people received Christ as their Savior! Also, before camp (which runs Friday night to Wednesday morning), several people were already lined up to be baptized, so five followed the Lord in baptism during our Sunday morning service.

## Discipleship

Three of the five individuals I started discipleship with have remained faithful in their studies. One has since moved away, and the other, Neemias, could use your prayers. He was the first person I had the privilege of leading to the Lord and helped me reach three others! He's in a bit of a spiritual slump right now, and we ask that you join us in praying that he lays aside the weights that are besetting him.

## Bible Institute

Another blessing has been **the addition of more students to the institute**. I have been working on streamlining it and creating a resource hub for churches/pastors (music, teaching material, etc.). A missions course is currently being produced and will be released shortly.

Unfortunately, this past month brought some challenges as well. Our youngest son, **Jonathan, broke his wrist** while playing soccer with a group of kids. Fortunately, it wasn't a terrible break, and we found a great hospital in Porto Velho. In the end, he spent 40 days in a cast. He had it removed recently and was playing soccer just yesterday!

We continue to see the Lord's hand here in Itapua. Your prayers and support make a difference, and we are deeply grateful for each of you who supports us in this ministry.
